

Political Action Committee (PAC)

The Political Action Committee (PAC) is the political advocacy arms of NABIP and NABIP Ohio. Since NABIP and similar organizations are prohibited by law from making political contributions, PAC was created to allow contributors to combine their financial support to candidates who support our industry.

The mission of NABIP PAC is to raise funds from NABIP members for the purpose of supporting the political campaigns of candidates who believe in private sector solutions for the health and financial security of all Americans.

I already support NABIP PAC, why should I support NABIP Ohio PAC too?

These are two separate funds with separate purposes. While there are Federal mandates, insurance is still regulated by the state and many bills and regulations are introduced here in Ohio to affect our markets. Supporting Ohio PAC promotes the election of Ohio State Senators and Representatives who support the role of health insurance professionals and the families and businesses they serve in this state.
