

Calling all members - we are offering a challenge to generate funds for the Ohio PAC and help your local chapter at the same time!

In this election year, we hear that "every vote counts" and that is true. For the Ohio NABIP PAC, every dollar counts in our efforts to affect change here in Ohio. You can help by supporting your Ohio NABIP PAC.

All local chapters will get 2 points for each current local member who has contributed at least \$10.00 to the Ohio PAC since January 1, 2024 until March 16, 2024. For new contributors during the contest period giving a minimum of \$10, 1 additional point will be added. For new monthly Ohio NABIP PAC contributors with a minimum of \$25 per month, the local will earn 2 points.

For the local chapter who gets the most points by the end of the contest period, the winning chapter will receive an additional \$500 in their Ohio Legislative Event allocation for 2024. All funds must be used by December 31, 2024.

For fund raising ideas, please reach out to Debbie Boop, your Ohio NABIP PAC Chair, or Bill Barrett, Ohio NABIP President.

Thank you for your support!

Every Dollar Counts contest will go from day of approval through May 31, 2024
