For many years, the National Association of Benefits and Insurance Professionals has been the voice of Ohio's health insurance professionals who specialize in the sale and servicing of health insurance products.

A key ingredient in representing NABIP Ohio Chapter members is to have a successful Political Action Committee (PAC) that actively promotes the election of State Senators and Representatives who support the role of health insurance professionals and the families and businesses they serve.

Contributing to our NABIP PAC helps to support the work we all do for our clients and our community. **You can contribute any amount and we encourage you to become a Capital Club member by contributing at least \$25 automatically each month or an annual donation of \$300.** By becoming a Capital Club member, you become one of our elite donors and will receive recognition annually during our events. Thank you for supporting your NABIP PAC.
