We understand the difficulties many of you have had during this pandemic. We empathize with you and your families as you continue to rebound from the financial and emotional effects of this pandemic. We realize recovery will be a slow process and help is still needed.

That is why our mission is to try to alleviate a small piece of that through financial support. That support can help with out-of-pocket medical expenses, unanticipated funeral expenses or other relevant costs due to being treated for COVID-19.

This [short video](#) will guide you through “How to Apply for Assistance” and if you are in a position to do so, “Donate” to help support your fellow NAHU members.
